

KRISHNA SHAH

COMPUTER & SCIENCE ENGINEER

I am an aspiring frontend developer with a strong passion for creating visually engaging and user-friendly web interfaces. Skilled in HTML, CSS, and JavaScript, with a growing interest in UI/UX design principles. I approach development with a business-oriented mindset, aiming to build digital experiences that not only look good but also support real user needs and business goals. Eager to contribute to projects where creativity, usability, and strategic thinking align to deliver impactful web solutions.
